MEMORANDUM FOR: Security Section, DPD

25X1A9a

SUBJECT : Training at Non-CIA Facility [REDACTED]

25X1A9a

1. In order for [REDACTED] to be eligible for reimbursement for his training at a non-CIA facility, he would have had to be recommended for such training by the Security Career Board and endorsed by the Deputy Director (Support) and also approved by the Director of Training who would have designated the training facility.

3. I checked with [REDACTED] Director of Administration for Security, and was told that they have not sponsored similar type of training for security personnel. This despite the fact that a great many of the men, especially those in the technical phase, have sponsored their own special training which has a direct benefit to their career.

4. Although we have run smack into specific regulations on this matter in Security Office policy, if you wish me to explore the question further, I should be glad to do so.
